A MESSAGE FROM THE CHANCELLOR

Dear Class of 2026:

Today marks both the end of your time with the California State University and the start of an exciting new chapter. Along with the degree you worked so hard to earn, you have gained knowledge, skills and connections that I know will take you far.

Your accomplishment is celebrated today by so many people, including those who supported you on this journey: your family, friends and all those whose love sustained you; the faculty who trained you to look at the world with a critical eye and an open mind; and the counselors, advisors, librarians, tutors and coaches who together created an encouraging environment for you to succeed and to thrive.

You have made all of them, and me, extraordinarily proud.

As you face new opportunities in the days ahead, you will do so empowered by your membership in a vibrant global network of more than four and a half million CSU alumni. Together, you are certain to enrich our workforce and communities. After all, CSU alumni (like you!) have so much to contribute, whether it is exploring solutions to society's greatest challenges, working to educate and inspire the next generation or powering the fight for democracy and a more just world.

No matter the path you choose, please stay connected to your alma mater and to the CSU. Your connections – both to your campus and to other CSU alumni – are powerful tools that can help to open new doors of possibility. Likewise, I encourage you to offer support to all those who aspire to follow in your footsteps in pursuit of a CSU degree.

You begin writing your next chapter today – and I wish you every success. May your hard work and creativity lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Felicidades, California State University Class of 2026! I can't wait to see all that you will accomplish.

Warmly,

Mildred García

127TH COMMENCEMENT

A MESSAGE FROM THE PRESIDENT

Dear Graduate:

On this extraordinary day, I join the faculty, staff, alumni and supporters of San Diego State University in celebrating your achievement. Your degree is a reflection of the tenacity, commitment and personal growth that brought you to this defining milestone in your life.

During your time at SDSU, you challenged yourself academically, discovered new passions and sharpened your aspirations. The perseverance, integrity and resilience you demonstrated here will serve you well in your profession, in your community and in all that lies ahead. I look forward with great anticipation to the impact the Class of 2026 will make as you help shape a vibrant future for our region and the world.

As members of the Class of 2026, you have contributed to a remarkable era in our university's 129-year history. You advanced record levels of growth, achievement and student success at SDSU. You helped propel SDSU into the elite ranks of R1 institutions—recognized among the top 5% of universities nationwide for research activity. And in your time at SDSU, you and your class played an important part in elevating our academic excellence and national reputation.

As you celebrate this achievement, pause and reflect on those who were with you throughout your journey. From family members and loved ones to friends, mentors and SDSU's faculty and staff, take time today to express your appreciation for their belief in you and the roles they played in your success.

Looking ahead, you become part of a global community of more than half a million living Aztec alumni. It is a powerful network that includes public servants and civic leaders, entrepreneurs and innovators, educators, scientists, artists and changemakers across every field. Throughout your life, this community will stand ready to offer connection, mentorship and opportunity. "Aztec for Life" is more than just a saying; it is a culture and commitment.

As you complete this chapter and begin the next, remember that SDSU will always be your university home. Whether you are pursuing advanced study or progressing in your career, stay engaged with the SDSU Alumni organization and take advantage of your lifetime access to the university's Career Services resources. In the years ahead, I hope you will return to campus to share your experiences and inspire future generations of Aztecs.

For now, take pride in this moment and celebrate all you have achieved. Your success is well deserved, and we honor you.

Congratulations, Class of 2026!

Adela de la Torre, Ph.D.
President

A MESSAGE FROM THE DEAN

Dear Fowler College of Business Graduates:

On behalf of my faculty and staff colleagues as well as the more than 60,000 Fowler College of Business alumni, I congratulate you on this major accomplishment. I share your excitement for today and for the new adventures that will follow.

I know that earning your degree from SDSU has required focus, determination, and resilience. Always remember that you represent the best of the Fowler College as an alumnus. One of the key criteria our Fowler College of Business accrediting body, AACSB, looks at is our impact on society. Is our college producing graduates who strive to positively impact the region, the nation, and the world? We believe so, but it's up to you to put that view into action. I have every confidence that you will use the skills you developed during your time here to innovate and thoughtfully address current and future business and societal challenges.

Please stay in touch with us. When you experience that first big, post-graduation professional accomplishment, send a note to a faculty or staff member who played a small role in your success. Come back to campus and participate in a career panel or serve as a mentor. In short, stay connected so we can follow and celebrate your growth as a professional and as an Aztec. Again, congratulations on your graduation and best wishes to all of you.

Go Aztecs!

Sincerely,

Dr. Dan Moshavi, Thomas & Evelyn Page Dean

WEBER HONORS COLLEGE

Students graduating from the Weber Honors College have successfully earned at least 16 units in small, challenging, interdisciplinary honors courses. The Weber Honors College features a wide range of opportunities that help students broaden their knowledge, gain new perspectives, and understand complex issues from diverse points of view. Weber Honors College students experience one-on-one scholarly partnerships with distinguished faculty, complete a culminating capstone, engage in university and community service activities, and further enrich their education through study abroad.

UNIVERSITYWIDE HONOR SOCIETIES

JANE K. SMITH CAP AND GOWN CHAPTER OF MORTAR BOARD

To be considered for membership in the Jane K. Smith Cap and Gown Chapter of Mortar Board, students must have senior standing for the fall semester with an overall grade point average of 3.2 and have participated and excelled in the areas of scholarship, leadership and service. Mortar Board, which was founded in 1918, had its beginning at SDSU in 1932 as Cap and Gown. In 1965, the local honor society was recognized as a member of the national society. Admission to Mortar Board is highly competitive. Membership is restricted to no more than 60 students per year.

TAU SIGMA

Tau Sigma is a national academic honor society designed specifically to recognize and promote the academic excellence and involvement of transfer students. Tau Sigma was originally founded in 1999 at Auburn University in Alabama. San Diego State University's chapter was established in August 2017. Students who earn a 3.5 grade point average during their first term are invited to join.

IN TRIBUTE

San Diego State University pays tribute to those students who put their education on hold to serve in the U.S. Armed Forces. To those students, and to those who gave their lives, we say thank you.

Tradition

ACADEMIC
REGALIA

ACADEMIC DRESS

Academic dress, also known as academic regalia, originated in Medieval European universities during the 14th century, when commencement ceremonies were associated with religious ordination. In observance of tradition, all participants in commencement ceremonies wear full academic regalia, consisting of a traditional black gown, hood and mortar board.

Bachelor's and master's gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate's field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor's gown; short sleeves for the master's; and round, full sleeves for the doctoral robe.

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor's degree wear a red and black tassel to represent SDSU school colors and graduates with a master's degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.

Postgraduate candidates wear hoods that fit around the neck in front and drape down over the robe in back. The hood lining displays the university colors of red and black. In addition, colored velvet edging on the hood corresponds to the graduate's field of study. The doctoral hood is longer than the master's hood, and trimmed with additional velvet panels.

THE GOWN

The typical academic gown is black, but some institutions choose colored gowns to signify certain colleges, universities or degrees. Bachelor's and master's gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate's field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor's gown; short sleeves for the master's; and round, full sleeves for the doctoral robe.

THE HOOD

Graduates holding master's and doctoral degrees also typically wear a hood that fits around the neck in front and drapes down over the robe in back. The hood lining displays colors associated with particular schools. Chevrons in a second color indicate a dual emphasis, while colored velvet edging on the hood corresponds to the graduate's field of study. The doctoral hood is longer than the master's hood, and trimmed with additional velvet panels.

THE CAP

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor's degree wear a red and black tassel to represent SDSU school colors and graduates with a master's degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.

CEREMONY

CEREMONIAL MACE

The ceremonial mace, a symbol of university scholarship and integrity since the 11th century, is carried at the head of the academic procession at commencement and other special occasions to signify the importance of the event and the values of the university.

The university's mace was designed and handcrafted for San Diego State University by Michael Rybicki, an alumnus of the Master of Fine Arts jewelry and metalsmithing program.

The mace takes the iconic image of Hepner Hall as its main inspiration. Hepner Hall stands at the historic heart of the campus, and its bell tower and arch are well-loved symbols of the university for students, alumni and the entire San Diego community. A stylized silhouette of the bell tower, made of four curved sheets of sterling silver, sits atop a silver bowl formed by the traditional skill of hand raising — a metalworking method dating back thousands of years. The sleek curves of the tower resting on the hand-hammered bowl represent the blending of SDSU's proud history with its modern and forward-facing scholarship, research and community engagement. These sculptural elements sit atop a turned and carved walnut handle.

PRESIDENTIAL MEDALLION

The medallion worn by President Adela de la Torre at commencement was designed for her installation as the ninth president of San Diego State University on April 11, 2019. It was designed and created by metalsmith graduate student Rex Arthur Ramos. The nine waves of the medallion represent the past and current nine presidents of SDSU, each bringing a new wave of leadership. The circular shape of the medallion symbolizes a globe while iconic Hepner Hall encompasses this shape, reinforcing SDSU's global influence. SDSU is depicted at the very center of this globe on an abstract map of the local region. The inclusion of the border represents a university with many different cultures, while the coastal line signifies the nature that surrounds SDSU. The contemporary look of the medallion reflects a vision of the future for SDSU guided by President de la Torre.
